4 1.2 Defendants. For purposes of this Consent Decree the term "Defendants", where
 5 not otherwise specified, shall mean Internet Order LLC, d/b/a Stroll, and d/b/a
 6 Pimsleurapproach.com; and Daniel Roitman, individually, and as Chief Executive Officer of
 7 Internet Order LLC.

8 1.3 Definitions. For the purposes of this Consent Decree, the following definitions
 9 apply:

10 (a) "Account Information" means any information that would enable
 11 Defendants to cause a charge to be placed on or against a customer's account, whether credit,
 12 debit, or any other kind of account or method of billing.

13 (b) "Advanced-Level Course(s)" means any Language Learning Method
 14 good or service, including but not limited to a Pimsleur Gold Level course, that is sold through a
 15 Negative Option Offer or Negative Option Plan, and that is offered in conjunction with or in
 16 addition to a primary good or service, including, but not limited to the Quick and Simple CD set.

17 (c) "Automatic Renewal Plan(s)" means an offer or plan in which the
 18 Defendants automatically renew a contract at the end of a fixed period unless the consumer
 19 cancels or instructs that the offer or plan should not be renewed. For purposes of this Consent
 20 Decree, an Automatic Renewal Plan shall be considered a Negative Option Offer or a Negative
 21 Option Plan.

22 (d) "Clear and Conspicuous" or "Clearly and Conspicuously":

23 (i) when referring to a written statement, disclosure, or any other
 24 information, means that such statement, disclosure, or other information, by whatever medium
 25 communicated, (a) is readily noticeable and readable (b) is in readily understandable language
 26 and syntax (c) is in a type size, font, appearance and location sufficiently noticeable for a

1 consumer to read and comprehend it, in a print that contrasts with the background against
2 which it appears, (d) is in contrasting type, font or color to the surrounding text of the same
3 size, and (e) is visually distinguished from the surrounding text of the same size by a border,
4 symbols or other marks. If such statement, disclosure, or other information is necessary as a
5 modification, explanation or clarification to other information with which it is presented, it
6 must be presented in Direct Proximity to the information it modifies in a manner that is readily
7 noticeable and understandable.

If placing the statement, disclosure, or other information on the same webpage does not allow such statement, disclosure, or other information to be readily noticeable and understandable, such statement, disclosure, or other information shall be placed on a webpage which is no more than one hyperlink from the webpage where the offer, term or limitation to

which it relates appears. In such situation where a hyperlink is used to lead to a disclosure, the link shall be (a) sufficiently prominent and readily seen, (b) in text that can be easily read and understood by the reader, and (c) placed on the same webpage where the offer, term or limitation to which it relates appears, in a position in Direct Proximity to the offer, term or limitation. However, with regards to a consumer entering into a Negative Option Offer or Negative Option Plan, the following must be placed on the same webpage as the offer, term or limitation to which it relates, and shall not be included in a hyperlink; (a) notification that the Negative Option Offer or Negative Option Plan requires that the consumer will receive additional goods or services that are generally identified (e.g. Advanced-Level Language Learning CDs), and will incur an obligation to pay additional amounts for the additional goods or services if the consumer does not take affirmative action to cancel within a certain amount of time; (b) the frequency of each shipment for all initial and additional goods and services; (c) the frequency and cost of each installment for all initial and additional goods or services; (d) the amount of time within which affirmative action to cancel must be taken by the consumer to avoid billing; (e) the process which the consumer must use to initiate the process to cancel; and (f) any costs to the consumer associated with returning goods or services.

Further, a disclosure of information is not Clear and Conspicuous if, among other things, it is obscured by the background against which it appears, or the net impression of the statement, disclosure, or other information is inconsistent with, contrary to, or in mitigation of the disclosure itself. Statements of limitation must be set out in close conjunction and proximity with the benefits described such that they are readily noticeable, readable and understandable or with appropriate captions of such prominence that statements of limitation are not minimized, rendered obscure, presented in an ambiguous fashion, or intermingled with the context of the statement so as to be confusing or misleading.

(e) "Consumer Protection Law" means the Washington Consumer Protection Act, RCW 19.86 et seq and the Unsolicited Goods Act, RCW 19.56.020.

1 (f) "Continuity Plan(s)" means an offer or plan in which the consumer
2 agrees in advance to receive periodic shipments of goods or provision of services, and the
3 consumer will continue to receive shipments or services and incur charges until the consumer
4 takes steps to cancel the offer or plan. For purposes of this Consent Decree, a Continuity Plan
5 shall be considered a Negative Option Offer or a Negative Option Plan.

6 (g) "Direct Proximity" means that a term is disclosed immediately above,
7 beneath or adjacent to the relevant content.

8 (h) The "Effective Date" of this Consent Decree shall mean the date the

12 indicated by a consumer to enter into a Negative Option Offer or Negative Option Plan after
13 Clear and Conspicuous disclosure of all material facts, terms and conditions of the Negative
14 Option Offer or Negative Option Plan. A pre-checked box shall not be considered evidence of
15 Express Informed Consent.

16 (i) In order to constitute Express Informed Consent, it shall also be
17 required that the consumer performs additional affirmative actions as follows:

18 A. For all written offers (including through the Internet or
19 other web-based applications or services): the consumer must affirmatively sign, click a button
20 or electronically sign in order for the consumer to accept a Negative Option Offer or enter into
21 a Negative Option Plan. Immediately above such signature line, button or electronic signature,
22 Defendants shall Clearly and Conspicuously disclose that, in addition to the initial offer, the
23 consumer is agreeing that he or she will be obligated to receive and pay additional amounts for
24 generally identified additional goods or services (e.g. Advanced-Level Language Learning
25 CDs) and that the financial account, credit card, or debit card provided by the consumer to
26

1 Defendants will automatically be billed, if the consumer does not take affirmative action to
 2 cancel within a certain amount of time.

3 B. For all oral offers and Saves: a recording of the entire
 4 transaction, including the sales representations, evidencing the consumer's clear, unambiguous,
 5 and unequivocal agreement to accept or continue the Negative Option Offer or enter into the
 6 Negative Option Plan. The recording must demonstrate that the Defendants have Clearly and
 7 Conspicuously disclosed all material facts, terms and conditions of the Negative Option Offer
 8 or Negative Option Plan, including but not limited to the following: (1) notification that the
 9 Negative Option Offer or Negative Option Plan requires that the consumer will receive
 10 additional goods or services and will incur an obligation to pay additional amounts for the
 11 additional goods or services if the consumer does not take affirmative action to cancel within a

 15 and additional good or service that is part of the Negative Option Offer or Negative Option
 16 Plan; (4) the frequency of each shipment for all initial and additional goods and services; (5)
 17 the frequency and cost of each installment for all initial and additional goods or services; (6)
 18 the amount of time within which affirmative action to cancel must be taken by the consumer to
 19 avoid billing; (7) refund, return, or cancellation policies; (8) the process which the consumer
 20 must use to cancel; and (9) any costs to the consumer associated with returning goods or
 21 services. From the Effective Date of this Consent Decree, forward, Defendants shall hold and
 22 maintain all such recordings for a period of three (3) years, and if Plaintiff or the consumer
 23 requests a copy of such recording, Defendants shall provide a copy of the recording to Plaintiff
 24 or the consumer within fifteen (15) days of the request.

25 (j) "Free-to-pay Conversion Offer(s)" and/or "Free-to-pay Conversion
 26 Plan(s)" means an offer or agreement or a contractual plan or arrangement to sell or provide any

1 goods or services, under which a consumer receives a good or service for free or for a nominal
 2 amount for an initial or some other period of time and will incur an obligation to pay for or pay
 3 additional amounts for the goods or services or additional goods or services if the consumer does
 4 not take affirmative action to cancel before the end of the initial or some other period of time.
 5 For purposes of this Consent Decree, a Free-to-pay Conversion Offer or a Free-to-pay
 6 Conversion Plan shall be considered a Negative Option Offer or Negative Option Plan.

7 (k) "Language Learning Method" means any goods or services related to
 8 Defendants' Pimsleur language learning method.

9 (l) A "material fact(s)," "material term(s)," "material condition(s)," or any
 10 similar phrase or combination of words or phrases is any fact, condition or term that, if known and
 11 understood by the consumer, would have been important to a consumer making a purchasing
 12 decision. A "material limitation" means a term or condition that necessarily affects a consumer's
 13 ability to obtain an offer as advertised. With regards to a consumer entering into a Negative Option
 14 Offer or Negative Option Plan, "material fact(s)," "material term(s)," "material condition(s)," or
 15 any similar phrase or combination of words or phrases also include, but are not limited to, (i)
 16 notification that the Negative Option Offer or Negative Option Plan requires that the consumer
 17 will receive additional goods or services that are generally identified (e.g. Advanced-Level
 18 Language Learning CDs), and will incur an obligation to pay additional amounts for the additional
 19 goods or services if the consumer does not take affirmative action to cancel within a certain amount
 20 of time; (ii) the frequency of each shipment for all initial and additional goods and services; (iii) the
 21 frequency and cost of each installment for all initial and additional goods or services; (iv) the
 22 amount of time within which affirmative action to cancel must be taken by the consumer to avoid
 23 billing; (v) refund, return, or cancellation policies; (vi) the process which the consumer must use to
 24 cancel; and (vii) any costs to the consumer associated with returning goods or services.

25 (m) "Negative Option Offer(s)" and/or "Negative Option Plan(s)" means, in
 26 an offer or agreement to sell or provide any goods or services, a provision under which the

1 consumer's silence or failure to take an affirmative action to reject goods or services or to
2 cancel the agreement is interpreted by Defendants as acceptance of the offer, including but not
3 limited to, any and all Free-to-pay Conversion Offers and Free-to-pay Conversion Plans, Pre-
4 Notification Negative Option Plans, Continuity Plans, and Automatic Renewal Plans.

5 (n) "Pre-Notification Negative Option Plan(s)" means an offer or plan in
6 which a consumer receives periodic notices offering goods or services and will receive the
7 goods or services and incur a charge unless the consumer specifically rejects the offer or plan.

8 For purposes of this Consent Decree, a Pre-Notification Negative Option Plan shall be
9 considered a Negative Option Offer or Negative Option Plan.

10 (o) "Save(s)" means the process, or the result of a process, employed by
11 Defendants to retain a consumer as a customer in a Negative Option Offer or Negative Option
12 Plan, when the consumer contacts Defendants to cancel or inquire about his or her account, plan,
13 or arrangement during a Negative Option Offer or Negative Option Plan, and Defendants attempt
14 to retain the consumer as a customer in a Negative Option Offer or Negative Option Plan.

 18 subscription(s);

19 (iii) Failing to Clearly and Conspicuously disclose to the consumer
 20 all material facts, terms and conditions related to any additions, modifications or changes to the
 21 consumer's initial purchase(s), order(s) and/or subscription(s) to IO's goods or services,
 22 including, but not limited to, the price of the such products or services, the existence of a free
 23 trial period, if any, and the duration and termination date thereof; and

24 (iv) If requested by the consumer, failing to confirm any additions,
 25 modifications or changes to the consumer's purchase(s), order(s) and/or subscription(s) via e-
 26 mail, or via regular mail when an email address is not provided to IO by the consumer, as set

1 forth in Paragraph 2.1(e) herein above. In addition, regardless of whether the consumer
 2 requests written confirmation, IO shall confirm any additions, modifications or changes to the
 3 consumer's purchase(s), order(s) and/or subscription(s) via e-mail, as set forth in Paragraph
 4 2.1(e) herein above, if the expiration date for a trial period has been extended. From the
 5 Effective Date of this Consent Decree, forward, IO shall hold and maintain all recordings
 6 related to attempts to Save a consumer who contacts IO regarding a Negative Option Offer or
 7 Negative Option Plan for a period of three (3) years, and if Plaintiff or the consumer requests a
 8 copy of such recording, IO shall provide a copy of the recording to Plaintiff or the consumer
 9 within fifteen (15) days of the request.

10 (1) IO shall include an invoice in all shipments containing goods or services
 11 delivered to the consumer. The invoice shall be included with the shipment of goods or
 12 services in a manner and location such that the invoice is sufficiently noticeable to the
 13 consumer compared to any items or documents contained with the shipment, and is readily
 14 apparent to the consumer. The invoice shall Clearly and Conspicuously disclose material facts,
 15 terms and conditions of the Negative Option Offer or Negative Option Plan, including, but not
 16 limited to, the following:

17 (i) notification that the Negative Option Offer or Negative Option
 18 Plan requires that the consumer will receive additional goods or services that are generally
 19 identified (e.g. Advanced-Level Language Learning CDs), and will incur an obligation to pay
 20 additional amounts for the additional goods or services if the consumer does not take
 21 affirmative action to cancel within a certain amount of time;

22 (ii) the frequency and cost of each installment for all initial and
 23 additional goods or services;

 26 Negative Option Offer or Negative Option Plan;

(iv) the procedure for a consumer to cancel any of IO's goods or services, and the toll-free number, if applicable, for consumers which can be used to cancel;

(v) the procedure for a consumer to return IO's goods or services, as well as any costs or fees associated with the return, if any exist and are authorized by the terms of this Consent Decree; and

(vi) the time period within which the consumer must cancel and return the product or service in order to avoid being charged for it.

(m) IO shall not engage in any conduct, including collection activities, which are in violation of the Consumer Protection Law, including but not limited to the following:

(i) Misrepresenting the character, amount or legal status of the consumer's debt to Defendants;

(ii) Threatening to take any action that cannot legally be taken or is not intended to be taken; and

(iii) Using a Social Security Number, whether real or fictitious, full or partial, in collection notices to consumers, including, but not limited to, captioning collection letters with "SSN *** * * ****," or otherwise use any number or other information of a consumer in a manner intended to convey that IO may take action using that number or information that cannot legally be taken or that has never been taken as a matter of IO's practice. Defendants shall not use or disclose a Social Security Number of any person or a Tax Identification Number of any entity which use or disclosure would be contrary to any law, regulation or rule.

(n) IO shall not impede the effective, simple operation of disclosed cancellation procedures which allow a consumer to effectively cancel their participation in the Negative Option Offer or Negative Option Plan and stop any recurring charges to the consumer. IO shall provide simple cancellation procedures to consumers, and Defendants shall

1 not create unfair or deceptive barriers to cancellation of any Negative Option Offer or Negative
2 Option Plan.

3 (o) IO shall not make any misrepresentations, cause a likelihood of confusion
4 or misunderstanding, or omit material facts, terms and/or conditions in the context or the
5 advertising, marketing, sales or invoicing of goods or services, including but not limited to
6 misrepresentations regarding or related to the price of goods or services, price reductions, the
7 amount of risk involved, the urgency of an offer, including its limited duration, or any limitations
8 as to the time in which the consumer needs to act in order to obtain the represented terms.

9 (p) IO shall not make any misrepresentations, cause a likelihood of
10 confusion or misunderstanding, or omit material facts, terms and/or conditions of any Negative
11 Option Offer or Negative Option Plan with regard to any invoices, billing documents, shipping
12 documents or other statements, including but not limited to, misrepresenting that the
13 consumer's cost for a good or service is less than it actually is, or misrepresenting that a
14 consumer's total order is "\$0" in its invoices, billing documents or other statements, whether
15 written, electronic or oral.

16 (q) IO shall comply with the Consumer Protection Law and any applicable
17 future amendments thereto.

18 (r) IO shall comply with any applicable provisions of ROSCA, any future
19 amendments, or any decisions by an agency or court of competent jurisdiction that are binding
20 in the State of Washington, and that relate to ROSCA.

21 2.2 Injunctions as to Roitman.

22 (a) Roitman shall comply with the Consumer Protection Law and any
23 applicable future amendments thereto; and shall be permanently and forever enjoined,
24 restrained, and bound from any violation thereof or participating in or directing any violation
25 thereof.

(b) Roitman shall comply with any applicable provisions of ROSCA, any future amendments, and any decisions by an agency or court of competent jurisdiction that are binding in the State of Washington, and that relate to ROSCA; and shall be permanently and forever enjoined, restrained, and bound from any violation thereof or participating in or directing any violation thereof.

2.3 IO agrees to adopt and implement the following policies and procedures with respect to any Negative Option Offer or Negative Option Plan with regard to goods and services if and to the extent not already the existing practice of IO:

(a) Within five (5) business days of the Effective Date of this Consent Decree, IO shall deliver copies of this Consent Decree, the Consumer Protection Law and ROSCA to all of IO's current officers and senior management employees, who are responsible for creating policies regarding: customer services for, marketing, promoting, advertising, offering for sale, and/or selling any of IO's goods or services sold by a Negative Option Offer or Negative Option Plan, addressing consumer complaints, and/or designing or maintaining IO's websites.

(b) For a period of four (4) years following the Effective Date of this Consent Decree, IO shall also deliver copies of this Consent Decree, the Consumer Protection Law, and ROSCA to all of IO's future officers and senior management employees, who are responsible for creating policies regarding: customer services for, marketing, promoting, advertising, offering for sale, and/or selling any of Defendant's goods or services sold by a Negative Option Offer or Negative Option Plan, addressing consumer complaints, and/or designing or maintaining Defendant's websites, within five (5) business days of such persons or entities commencing a relationship with IO.

(c) IO shall maintain measures reasonably necessary to ensure that their Representatives, which for purposes of Paragraph 2.3 shall mean IO's officers and management employees, and any employees, representatives and agents, and all other persons

1 or entities acting on IO's behalf, who interact with consumers in any capacity or who are
 2 responsible for creating and implementing policies regarding: customer services, marketing,
 3 promoting, advertising, offering for sale, and/or selling any of IO's goods or services sold by a
 4 Negative Option Offer or Negative Option Plan, addressing consumer complaints, and
 5 designing or maintaining IO's websites, are properly trained and are otherwise performing
 6 their duties in compliance with this Consent Decree and all applicable laws, including, but not
 7 limited to, the Consumer Protection Law and ROSCA. IO shall further adhere to a policy of
 8 disciplining, up to and including the termination of, Representatives who are found to have not
 9 complied with the requirements of this Consent Decree and/or all applicable laws, including,
 10 but not limited to, the Consumer Protection Law and ROSCA.

11 (d) IO shall keep for a period of four (4) years written records for each
 12 report of, and its response to, any notification that their Representatives are in violation of the
 13 requirements of this Consent Decree and/or all applicable laws, including, but not limited to,
 14 the Consumer Protection Law and ROSCA.

15 (e) Unless otherwise noted herein, IO shall create and implement written
 16 policies and adopt and implement written procedures reasonably expected to create continuing
 17 compliance and otherwise comply with any and all terms of this Consent Decree within thirty
 18 (30) days after the Effective Date of this Consent Decree.

19 (f) IO shall maintain policies and procedures reasonably necessary to
 20 ensure consumer complaints are responded to and a good faith effort is made to resolve such
 21 complaints in a timely manner. Such policies shall include, but are not limited to:

22 (i) Policies and procedures reasonably necessary to ensure that
 23 consumer complaints are logged, with such log containing the following minimum
 24 information: the name and account number (or other identifying information) of such
 25 consumer, a summary of the consumer's complaint, including, but not limited to, whether the
 26 consumer complained that he or she had been charged for an unordered good or service,

1 whether the consumer complained of an unauthorized charge or whether the consumer
2 complained that he or she had received an unordered good or service, and action taken by IO to
3 resolve that complaint and to determine the Representative involved in such complaint if
4 applicable, and a summary of action, if any, taken by IO with regards to such Representative.
5 IO shall retain all such records and logs for a minimum of four (4) years; and

6 (ii) Policies and procedures necessary to generally ensure that
7 consumer complaints to IO are answered in a timely manner.

8 (g) If at any time after the Effective Date of this Consent Decree, IO is
9 advised by a consumer, Plaintiff or through any other means, that a Representative has (i)
10 failed to adopt, comply with and/or implement IO's policies and procedures; (ii) failed to
11 comply with this Consent Decree; and/or (iii) failed to comply with and abide by all applicable
12 laws, including, but not limited to, the Consumer Protection Law and ROSCA, IO shall
13 immediately notify said Representative of its deficiency and further warn that punitive action
14 will be taken unless such compliance is immediately forthcoming. IO shall take documented
15 punitive action, up to and including termination of any Representative reasonably determined
16 to have failed to comply with IO's policies and procedures, this Consent Decree and/or all
17 applicable laws, including, but not limited to, the Consumer Protection Law and ROSCA. IO
18 shall retain all records of punitive actions taken against non-complying Representatives for a
19 minimum of four (4) years.

20 **III. REQUIRED PAYMENTS**

 2 Consumer Protection Law to the Washington Office of Attorney General, and pursuant to the
 3 consumer protection laws of the Commonwealth to the Pennsylvania Office of the Attorney
 4 General and pursuant to the consumer protection laws of the State of New York to the Office
 5 of Attorney General related to Defendants' conduct, acts or omissions occurring prior to the
 6 Effective Date of this Consent Decree which were specifically asserted in Plaintiff's Complaint
 7 under the Consumer Protection Law and ROSCA, and any similar consumer protection or
 8 other applicable law, rule or regulation specifically asserted in Plaintiff's Complaint, shall be
 9 limited to the above referenced Required Payments under the PA Consent Petition in the
 10 amount of One Million Two Thousand and 00/100 Dollars (\$1,002,000.00) and to the
 11 Conditional Monetary Payments which IO is required to pay pursuant to Section IV herein.
 12 The obligation of IO to pay restitution, civil penalties or costs to the States shall be limited to
 13 the amounts payable to the Commonwealth of Pennsylvania, as stated in the PA Consent
 14 Petition, and no additional monetary obligation shall be deemed payable independently arising
 15 from this Consent Decree. However, nothing in this Consent Decree shall prevent or restrict
 16 Plaintiff from pursuing sanctions and other appropriate relief, including civil penalties, in any
 17 action against Defendants for contempt or failure to comply with any of the provisions of this
 18 Consent Decree, or in the event that Defendants are in default of any of the terms and
 19 conditions of this Consent Decree.

23 3.2 The States of Washington and New York have designated Dahl Administration
 24 LLC as the claims administrator (herein referred to as the "Claims Administrator"). The
 25 Claims Administrator shall be responsible for the administration of the Settlement Fund and
 26

1 the distribution of the Settlement Fund in accordance with the terms and conditions described
 2 more fully herein.

3 3.3 Upon Pennsylvania Consent Petition Approval, IO shall enter into an agreement
 4 with the Claims Administrator which shall state the duties and responsibilities of IO and the
 5 Claims Administrator, upon the terms and conditions as set forth in Section III herein (herein
 6 referred to as the "Claims Administrator Agreement"). The Claims Administrator Agreement
 7 shall be subject to the written approval of the States. Any and all costs and expenses incurred
 8 by, charged by or related to the Claims Administrator in administering and distributing the
 9 Settlement Fund shall be paid by the Settlement Fund (herein referred to as the "Claims
 10 Administrator Expenses"). However, the parties hereto agree that the Claims Administrator
 11 Agreement shall specifically state that the Claims Administrator shall not charge in excess of
 12 Thirty-Five Thousand and 00/100 Dollars (\$35,000.00) for Claims Administrator Expenses and
 13 that no party hereto nor the Settlement Fund shall be responsible for paying or have any
 14 obligation to pay the Claims Administrator any amount in excess of Thirty-Five Thousand and
 15 00/100 Dollars (\$35,000.00). The Claims Administrator Agreement shall indicate that the
 16 Settlement Fund is to be transferred to the Claims Administrator for distribution as set forth
 17 herein at the appropriate time as determined by the Commonwealth. However, the transfer of
 18 the Settlement Fund by the Commonwealth to the Claims Administrator shall not occur earlier
 19 than (i) March 15, 2016 or (ii) one hundred and twenty (120) days after the date of the
 20 Pennsylvania Consent Petition approval, whichever date is later.

21 3.4 Plaintiff shall have no liability whatsoever to Defendants, the Claims
 22 Administrator, or to any claimants in connection with the administration of the claims process.

23 3.5 Categories of Consumers Defined.

24 (a) "Category One Consumer(s)" shall include consumers, from all fifty
 25 states of the United States, if applicable, who made an online purchase of IO's Gold Level
 26 One Advanced-Level Course during the period from January 1, 2009 to April 1, 2013 through

1 a Negative Option Offer or Negative Option Plan and who cancelled within forty-five (45)
 2 days of the conclusion of the free trial period, but were charged (in whole or in part) for the
 3 Gold Level One Advanced-Level Course. Category One Consumers shall not include the
 4 following consumers for whom IO can produce sufficient written or recorded documentation
 5 proving the following: (i) consumers who purchased from IO one (1) or more Pimsleur
 6 Language Learning Course products through a Negative Option Offer or Negative Option Plan,
 7 and at a later date purchased from IO another Pimsleur Language Learning Course product
 8 through a Negative Option Offer or Negative Option Plan; (ii) consumers who called IO for the
 9 sole reason of requesting a different payment amount or timing of payments than the original
 10 provisions of the Negative Option Offer or Negative Option Plan; (iii) consumers who called
 11 IO for the sole reason of requesting cancellation due to an inability to pay as opposed to a lack
 12 of understanding of the Negative Option Offer or Negative Option Plan; and (iv) consumers
 13 who called IO during the trial period and decided after a discussion with IO's personnel not to
 14 cancel, but then called back to cancel after the trial period.

15 (b) "Category Two Consumer(s)" shall include all consumers from all fifty
 16 states of the United States, if applicable, who are not Category One Consumers and who
 17 purchased an Advanced-Level Course through a Negative Option Offer or Negative Option
 18 Plan from IO during the period from January 1, 2009 to the Pennsylvania Consent Petition
 19 Approval, and who either filed a consumer complaint with the Pennsylvania Office of Attorney
 20 General, the Washington Office of Attorney General, or the New York Office of Attorney
 21 General prior to the Pennsylvania Consent Petition Approval, and whose complaint has not
 22 been fully satisfied or resolved under the sole discretion of the respective Office of Attorney
 23 General, or who file a consumer complaint with the Pennsylvania Office of Attorney General,
 24 the Washington Office of Attorney General, or the New York Office of Attorney General
 25 within sixty (60) days after the Pennsylvania Consent Petition Approval.
 26

1 3.6 Within forty-five (45) days of the Pennsylvania Consent Petition Approval, IO
 2 shall send to the Claims Administrator and to the States a list which shall include the name,
 3 email address, and mailing address of each Category One Consumer, as well as the amount of
 4 monies paid by such consumer to IO for the Gold Level One Advanced-Level Course, and the
 5 amount of any credits, chargebacks, or settlement amounts already paid by IO or received by
 6 such consumer.

7 3.7 Within forty-five (45) days of the Pennsylvania Consent Petition Approval, IO
 8 shall send to the States a list comprised of the following for all consumers who were excluded
 9 as a Category One Consumer by IO as falling under the exceptions as stated in Paragraphs
 10 3.5(a)(i)-(iv): name, address, email address (if known), statement as to why the consumer was
 11 excluded, and a description of the written or recorded documentation relied upon in
 12 determining the exclusion.

13 3.8 Notice of claim process for Category One Consumers. Within ten (10) days of
 14 receiving the list described in Paragraph 3.6 above herein from IO, the Claims Administrator
 15 shall provide to all Category One Consumers email notice of their ability to receive restitution
 16 related to the cost of the Gold One Advanced-Level Course (herein referred to as the “Notice”)
 17 as specifically set forth in Exhibit “A”, which is attached hereto and incorporated herein, and
 18 which shall only be revised pursuant to a request by the States subject to IO’s consent, which
 19 shall not be unreasonably withheld. Such Notice shall include a hyperlink to a claim form
 20 (herein referred to as the “Claim Form”) as specifically set forth in Exhibit “B”, which is
 21 attached hereto and incorporated herein, and which shall only be revised pursuant to a request
 22 by the States, subject to IO’s consent, which shall not be unreasonably withheld which Claim
 23 Form will be required to be fully completed and submitted by each Category One Consumer.
 24 The following shall apply to such emails:

25 (a) The “display name” in the email “FROM” line shall be “Pimsleur
 26 Language Learning Program.”

1 (b) The subject line of the email shall read "IMPORTANT LEGAL
 2 NOTICE-OFFICE OF ATTORNEY GENERAL REFUND."

3 (c) The Claims Administrator shall make reasonable efforts to avoid having
 4 emails sent to "junk" or "spam" folders, or otherwise filtered.

5 (d) If an email "bounces back," or if the consumer did not provide IO with
 6 an email address, the Claims Administrator shall ascertain the consumer's most recent mailing
 7 address by comparing the consumer's mailing address associated with the consumer's account
 8 record with IO to the consumer's address in the USPS National Change of Address Registry
 9 (herein referred to as "NCOA"). The Claims Administrator then shall provide a postcard
 10 (herein referred to as the "Postcard") as specifically set forth in Exhibit "C", which is attached
 11 hereto and incorporated herein, and which shall only be revised pursuant to a request by the
 12 States, subject to IO's consent, which shall not be unreasonably withheld via U.S. Mail to the
 13 consumer's most current address as reflected in the NCOA, if that address is different from the
 14 address in IO's records, or to the address in IO's records, if the NCOA does not reflect a
 15 change in the address from IO's records. Such Postcard shall include information regarding
 16 the claims process along with the URL to the Claim Form.

17 (e) If the Claims Administrator does not receive a completed claim form
 18 from a Category One Consumer to whom an email was sent pursuant to Paragraph 3.8 above
 19 within thirty (30) days of providing the email Notice, the Claims Administrator shall send a
 20 second email to those Category One Consumers. The body of the second email shall state the
 21 text as specifically set forth in Exhibit "D," which is attached hereto and incorporated herein,
 22 and which shall only be revised pursuant to a request by the States subject to IO's consent,
 23 which shall not be unreasonably withheld. The "display name" in the FROM line of the email
 24 shall be the same as the first email Notice. The subject line of the email shall read "SECOND
 25 NOTICE-IMPORTANT LEGAL NOTICE-OFFICE OF ATTORNEY GENERAL REFUND."

1 3.9 The Claims Administrator shall provide and host a 24-hour, 7-days-a-week toll-
 2 free telephone number to provide automated information relating to the claims process as set
 3 forth herein for people who call the number. Such telephone number shall be listed on all
 4 emails and/or postcards sent to Category One Consumers as set forth above herein.

5 3.10 Eligibility of Category One Consumers. To be "Eligible" for restitution as a
 6 Category One Consumer, the Category One Consumer must fully complete the Claim Form
 7 and submit the completed Claim Form within forty-five (45) days of the Claims Administrator
 8 sending the Notice or mailing of the Postcard pursuant to Paragraph 3.8 above. Any Category
 9 One Consumer who fully completes the Claim Form and submits the completed Claim Form as
 10 noted herein above shall be deemed an "Eligible Category One Consumer".

11 3.11 Eligibility of Category Two Consumers. To be "Eligible" for restitution as a
 12 Category Two Consumer, the Category Two Consumer must have either filed a consumer
 13 complaint with the Pennsylvania Office of Attorney General, Washington Office of Attorney
 14 General, or New York Office of Attorney General, prior to the Pennsylvania Consent Petition
 15 Approval, and such complaint is not fully satisfied or resolved under the sole discretion of the
 16 respective Office of Attorney General, or must file a consumer complaint with the
 17 Pennsylvania Office of Attorney General, Washington Office of Attorney General, New York
 18 Office of Attorney General, within sixty (60) days of the Pennsylvania Consent Petition
 19 Approval, and such complaint must concern or relate to conduct alleged in the Complaint filed
 20 in this action by Plaintiff or concern or relate to the conduct covered under this Consent
 21 Decree, and such conduct must have occurred during the time period from January 1, 2009 to
 22 the Pennsylvania Consent Petition Approval. Any Category Two Consumer who (i) filed/files
 23 a consumer complaint as noted herein above; (ii) is not an Eligible Category One Consumer;
 24 and (iii) is determined by the Claims Administrator to be Eligible based upon the Claims
 25 Administrator's review of the consumer's complaint and any documentation provided to the
 26 Claims Administrator by IO or the consumer, shall be deemed an "Eligible Category Two

1 Consumer.” IO shall provide to the Claims Administrator, upon request by the Claims
 2 Administrator, any documents or information related to any Category Two Consumer within
 3 five (5) days of the request by the Claims Administrator.

4 3.12 Determination of Restitution:

5 (a) “Restitution” for an Eligible Category One Consumer shall mean all
 6 monies paid by such consumer to IO for the Gold Level One Advanced-Level Course, less any
 7 credits, chargebacks, or settlement amounts already paid by IO or received by such consumer.

8 (b) “Restitution” for an Eligible Category Two Consumer shall mean all
 9 monies paid by such consumer to IO for all Advanced-Level Courses, less any credits,
 10 chargebacks, or settlement amounts already paid by IO or received by such consumer, and
 11 shall be determined by the Claims Administrator as noted herein.

12 3.13 Within ninety (90) days of the Pennsylvania Consent Petition Approval, the
 13 States will provide to the Claims Administrator the consumer complaints filed by Category
 14 Two Consumers with the States. The States will provide IO with a copy the consumer
 15 complaints filed by Category Two Consumers with their respective offices within ninety (90)
 16 days of the Pennsylvania Consent Petition Approval.

17 3.14 Calculation of Restitution Payment:

18 (a) The Settlement Fund shall be used for the payment of Restitution to
 19 Eligible Category One Consumers and Eligible Category Two Consumers as determined by the
 20 Claims Administrator in accordance with the terms and conditions of this Consent Decree and
 21 for the payment of the Claims Administrator Expenses, and any Remaining Monies, as defined
 22 herein, will be payable to the States as noted herein. If the total amount of Restitution payable
 23 to all Eligible Category One Consumers and Eligible Category Two Consumers is equal to or
 24 less than the total amount in the Settlement Fund less the Claims Administrator Expenses, then
 25 the distribution to each Eligible Category One Consumer and Eligible Category Two
 26 Consumer will be the amount determined by the Claims Administrator for each such Eligible

1 Category One Consumer and Eligible Category Two Consumer pursuant to Paragraphs 3.12(a)
 2 and (b) respectively, and those amounts will be distributed by the Claims Administrator to each
 3 such consumer.

4 (b) If the total amount of Restitution payable to all Eligible Category One
 5 Consumers and Eligible Category Two Consumers is more than the Settlement Fund less the
 6 Claims Administrator Expenses, each Eligible Category One Consumer and Eligible Category
 7 Two Consumer shall receive a distribution of a pro-rata share of the Settlement Fund less the
 8 Claims Administrator Expenses. Pro rata share means, with respect to a distribution on
 9 account of any Eligible Category One Consumer and Eligible Category Two Consumer, an
 10 amount determined by multiplying the total amount in the Settlement Fund less the Claims
 11 Administrator Expenses by a fraction, the numerator of which shall be the amount of each such
 12 consumer's Restitution and the denominator of which shall be the aggregate amount of all
 13 Restitution payable to all Eligible Category One Consumers and Eligible Category Two
 14 Consumers.

15 3.15 Timing and Procedures for Restitution Payments.

16 (a) The Settlement Fund shall be transferred to the Claims Administrator for
 17 distribution as set forth herein at the appropriate time as determined by the Commonwealth.
 18 However, the transfer of the Settlement Fund by the Commonwealth to the Claims
 19 Administrator shall not occur earlier than (i) March 15, 2016 or (ii) one hundred and twenty
 20 (120) days after the date of the Pennsylvania Consent Petition Approval, whichever date is
 21 later. The Claims Administrator shall pay such Restitution payment to each Eligible Category
 22 One Consumer and Eligible Category Two Consumer from the Settlement Fund no later
 23 than fifteen (15) days after the date that the Commonwealth transfers the Settlement Fund to the
 24 Claims Administrator. The Claims Administrator shall provide a check made payable to each
 25 Eligible Category One Consumer and each Eligible Category Two Consumer in the amount
 26

1 determined to be the Restitution payment as described above herein, accompanied by the letter
 2 described in Paragraph 3.15(b) below via U.S. Mail.

3 (b) The envelope containing the Restitution payment shall display as a
 4 return address the name "Pimsleur Language Learning Program Restitution Fund" along with
 5 the address of the Claims Administrator, and shall display the language "REFUND
 6 ENCLOSED" on the front of the envelope. The mailing containing the Restitution payment
 7 shall include a letter with the specific text as stated in Exhibit "E", which is attached hereto and
 8 incorporated herein, and which shall only be revised pursuant to a request by the States subject
 9 to IO's consent, which shall not be unreasonably withheld.

10 3.16 Consumers who receive payment as an Eligible Category One Consumer or an
 11 Eligible Category Two Consumer shall not be required to return any of IO's goods or services.

12 3.17 IO shall cease all collection efforts with regards to any Eligible Category One
 13 Consumer or Eligible Category Two Consumer; shall notify any and all credit bureaus that any
 14 and all claims against such consumers are withdrawn and resolved, and shall request the credit
 15 bureaus to remove the negative information related to any alleged delinquency claimed by IO;
 16 and shall be prohibited from selling to a third party any debt relating to or arising from the
 17 purchase of a Pimsleur Language Learning product through a Negative Option Offer or
 18 Negative Option Plan by any Eligible Category One Consumer or Eligible Category Two
 19 Consumer.

20 3.18 In instances where a delinquency alleged by IO is or was reported on a credit
 21 report of a consumer, and (a) IO has agreed to pay a refund, reimbursement, or restitution to a
 22 consumer; (b) IO waived all or part of IO's charges against a consumer; or (c) the consumer is
 23 an Eligible Category One Consumer or an Eligible Category Two Consumer, IO shall request
 24 the credit bureaus to remove the negative information relating to the alleged delinquency from
 25 the consumer's credit report. IO shall further, upon request of an Eligible Category One
 26 Consumer or an Eligible Category Two Consumer, provide written and/or electronic

1 confirmation of IO's acknowledgement and agreement to waive all of IO's charges against
2 such consumer.

3 3.19 Any notices required or described in this section of the Consent Decree related
4 to Restitution that are directed to consumers shall not include any marketing, advertising, or
5 solicitations, and shall exclusively include the information required or described in this
6 Consent Decree.

7 3.20 Reporting Requirement. Within one hundred twenty (120) days of mailing out
8 the Restitution payments to the Eligible Category One Consumers and Eligible Category Two
9 Consumers as stated above herein, the Claims Administrator shall provide a report to the States
10 and to IO, setting forth the following information: (i) the number of Eligible Category One and
11 Eligible Category Two Consumers to which restitution was provided; (ii) the name and address
12 of each Eligible Category One Consumer and Eligible Category Two Consumer; (iii) the
13 amount of the Restitution payment for each Eligible Category One Consumer and Eligible
14 Category Two Consumer; (iv) the date that the check was sent to each Eligible Category One
15 Consumer and Eligible Category Two Consumer; (v) whether such Restitution payment was
16 returned to the Claims Administrator indicating the reason it was returned, including, but not
17 limited to, consumer no longer being at the address to which it was sent; and (vi) whether such
18 Restitution payment remains un-cashed or un-negotiated and outstanding.

19 3.21 The Claims Administrator shall make all reasonable efforts to locate consumers
20 whose Restitution payments are returned to the Claims Administrator for any reason,
21 including, but not limited to, a consumer no longer being at the address to which it was sent.

22 (a) If a Restitution payment is sent to a consumer and is returned to the
23 Claims Administrator, the Claims Administrator shall attempt to locate the consumer's current
24 address through all reasonable means, including, but not limited to publicly-available
25 databases, Internet searches, commercially available databases, and public records.

1 (b) If a current address is found, the Claims Administrator shall re-send the
2 check to the consumer at that address.

3 (c) If the Restitution payment is returned to the Claims Administrator and
4 no current address is available or if the Restitution payment remains un-cashed or un-
5 negotiated and outstanding for more than ninety (90) days from the issuance of the check
6 (herein referred to as "Unclaimed Restitution Payment(s)"), the Claims Administrator shall
7 submit such Unclaimed Restitution Payments along with the name, address, telephone number
8 and amount of Restitution for each such consumer to the Attorneys General Offices as follows:

 14 Washington Consumer Protection Act and/or any other equitable relief which the Court deems
 15 necessary or proper.

16 6.12 If Plaintiff determines that Defendants have failed to comply with any of the
 17 terms of this Consent Decree, and if, in the Attorney General's sole discretion, the failure to
 18 comply does not threaten the health or safety of the citizens of the State of Washington and does
 19 not create an emergency requiring immediate action, the Attorney General will notify Defendants
 20 in writing of such failure to comply, and Defendants shall then have thirty (30) days from receipt
 21 of such written notice to provide a written response to the Attorney General's determination that
 22 there has been a failure to comply. Upon reasonable request of Defendants, which request must
 23 be made at the time of Defendants' written response to the Attorney General, a representative of
 24 the Attorney General will meet with Defendants by phone or in the Office of the Attorney
 25 General within fifteen (15) days of receipt by the Attorney General of Defendants' written

1 Any corrective or remedial action taken by Defendants shall be considered by Plaintiff in
 2 determining whether further enforcement is necessary.

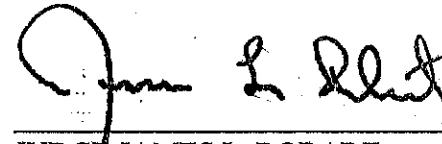

3 6.13 If permitted under relevant State or Federal law, and if Defendants believe there
 4 exists good cause to cancel, alter, or modify this Consent Decree or any part thereof,
 5 Defendants shall first make a written proposal for modification to Plaintiff. If, after forty-five
 6 (45) days of Plaintiff's receipt of such proposal, Plaintiff has not agreed to such cancellation,
 7 alteration, or modification, Defendants may petition to modify this Consent Decree pursuant to
 8 the provisions, limitations, standards and requirements of the relevant State or Federal law.
 9 Nothing herein shall be construed as Plaintiff's acknowledgement or agreement that any
 10 particular circumstance(s) constitutes good cause or valid reason to cancel, alter or modify this
 11 Consent Decree.

12 6.14 This Consent Decree sets forth all of the promises, covenants, agreements,
 13 conditions and understandings between the parties, and supersedes all prior and
 14 contemporaneous agreements, understandings, inducements or conditions, express or implied.
 15 There are no representations, arrangements, or understandings, oral or written, between the
 16 parties relating to the subject matter of this Consent Decree that are not fully expressed herein
 17 or attached hereto. Each party specifically warrants that this Consent Decree is executed
